

Didn't I Walk On The Water

Jeremiah Yocom

Key = D

Tempo 72

Verse 1 :

D Em
As I kneel in the darkness in the middle of the night
A G D
I'm praying for assurance everything's gonna be alright
A D Em
Lord I see another battle out in front of me
A G D A^{sus4}
I'm afraid I won't be able and I'll go down in defeat

Chorus :

D Em
And He said, I walked on the water and I calmed the raging sea
A G D
I spoke to the wind, it hushed and I gave you peace
A D Em
Didn't I run to your rescue didn't I hear you when you called
A G D
I walked right beside you just so you wouldn't fall
A D Em
Didn't I leave all of Heaven just to die for your sin
A G D (A^{sus4})
I searched until I found you and I'd do it all again

Verse 2 :

 D Em
He said, do you remember where I brought you from
 A G D
Just take a look behind you at how far you've come
A D Em
And everytime you asked me, didn't I deliver you
 A G D A^{sus4}
So why would you be thinking that I wouldn't see you through

Verse 3 :

 D Em
Now she's talking to her father in a house that was once a home
 A G D
She said my bills are coming due Lord and six days is not that long
 A D
She hears a voice so still and low
 Em
It says I've moved like that before
 A G D A^{sus4}
And I'll do this little thing and I'll give you so much more
