

Undone

FFH

Key = D

Tempo 103

Verse 1 :

Bm D
Open up wide, swallow down deep
A Bm
No spoon full of sugar could make it sweet
G D
The cancer inside stealing my sleep
A
Night after night it keeps haunting me
Bm G D
The secrets I keep are tearing me up inside
A Em
I try to hide them and I wonder why
F#
I wonder why I'm still running when I know there's no escaping

Chorus :

Bm G D
Come undone, surrender is stronger
A
I don't need to be the hero tonight
Bm G D
We all want love we all want honor
A
Nobody wants to pay the asking price

Interlude 1 : Bm G D A

Verse 2 :

Bm GM7 D
Fall on my knees, fall on my pride

A

I'm tripping over all the times I've lied

Bm GM7 D
I'm asking please, but I can see in Your eyes

A

You don't need tears for alibis

Bm G D
It's true what they say, love must be blind

A

Em

It's why You're still standing by this sinner's side

F#

You're still by my side when all the things I've done have left You bleeding

Chorus

Interlude 2 : Bm G D F#m

Bm G D A

Bridge :

G Bm D^{sus2}
I don't think I can drive it home tonight

GM7 A Bm A
I don't think I wanna be alone tonight

Interlude 3 : G A Bm D

G A Bm F#m
