Stars Go Dim

Key = E

Tempo 81

Intro : | E | E |

Verse 1 :

E

We hide pain in the weirdest places, broken souls with smiling faces

A

E

Fighting for surrender for now and the after

E

Just look around and you'll see that people

E

Are scared to say how they really feel, oh

A

E

We all need a little honesty

Chorus :

E

You are loved

E

If your heart's in a thousand pieces

E

If you're lost and you're far from reason

C#m

A

Just look up, know you are loved, just look up, know you are loved

E

When it feels like something's missing

E

If it hurts but you can't find healing

C#m

A

E

Just look up, know you are loved, just look up, know you are loved

## Verse 2 :

E

We're not made to be superheroes, photoshopped, all size zeroes

A

E

We're a light not expected, but not quite perfected yet

E

Look up see the sun is shining, there's hope on a new horizon

A

E

Calling you, it's calling

## Chorus

## Bridge :

B

C#m G#m A

You don't have to prove yourself

B

C#m G#m A

Don't try to be someone else

(repeat 2x)

E

You are loved

E

Just look up, know you are loved, just look up, know you are loved

C#m
