Intro : |C |C |

Verse 1 :

Are you disappointed, are you desperate for help

You know what it's like to be tired

And only a shell of yourself

You start to believe, you don't have what it takes

Cause it's all you can do

Just to move much less finish the race

But don't forget what lies ahead

Chorus :

Almost home, brother it won't be long

Soon all your burdens will be gone

With all your strength, sister run wild run free

Hold up your head, keep pressing on, we are almost home

Verse 2 :

Well this road will be hard, but we win in the end

Simply because of Jesus in us

It's not if but when

So take joy in the journey even when it feels long

Oh find strength in each step

Knowing heaven is cheering you on

Chorus
