

Crave - For King & Country

Words & Music : Shaun Adrian Shankel, Joel David Smallbone,
Luke James Smallbone

♩=92

Verse 1

Hope sleeps with-out me Her sweet dreams sur-round me, but I'm left out

Verse 2

And I need a fix now To be-lieve, to feel And these rooms are dark

now And these halls are hol-low and so am I And she's hard to find

Chorus

now To be-lieve, to feel Hope is what we crave

And that will ne-ver change So I stand and wait I need a drop of grace

To car-ry me to-day A sim-ple song to sing It's writ-ten on my soul

Verse 3

Hope's what we crave I won't turn to dust

now Let these tears rust now on my face Give me the spark

now To be-lieve, to see It's writ-ten on my soul Hope's what we crave

To live, to die, to lose, to care To rise a-bove, to love a - gain

To live, to die, to lose, to care To rise a-bove, to love a - gain

To love a-gain Hope is what we crave

I need a drop of grace It's writ-ten on my soul Hope's what we crave

It's writ-ten on my soul Hope's what we crave

Hope's what you crave Hope's what I crave
