

# Glimpse

Hillsong Young & Free

Key = G

4/4 Time Signature

Tempo 96

Intro: |G/B C |C |G D |D |

Verse 1 :

G/B C  
You say You love me

G D  
But how could You when I ran so far

G/B C  
And still You want me

G D  
When I lose sight of where You are

Pre-chorus :

G/B C  
But it only took a moment with You

G D  
A glimpse of life with purpose and I knew

G/B C

That living where the light is, oh Lord

G D

It's exactly where You want me and I never wanna leave

Chorus :

C

So I'm gonna stay in Your presence

C

Sing of Your love forever

G D

Dance like I did the day when

D

I caught a glimpse of You

G C

And I'll get a little bit desperate

C

To run to the arms of heaven
