Verse 1
When it feels like the dark
Lingers longer than the night
When the shadows feel like giants
Are You chasing me down
Tell me where could I run
From Your light Where could I hide
Hemmed within Your precious thoughts
There's no hiding from Your love

Chorus 1
Highs and lows Lord You're with me either way it goes
Should I rise or should I fall

Even so, Lord Your mercy is an even flow

You're too good to let me go

Your mercy waits at every end

Like You planned it from the start

Should the dawn come with wings

Or find me far-side of the sea

There Your hand still fastens me

Ever closer to Your heart

Should I rise or should I fall

You are faithful through it
You're too good to let me go

Highs and lows
You surround me either way it goes
Should I rise or should I fall

Lord You're with me through it all
Highs and lows

In the rhythms of Your grace I know Should I rise or should I fall

You are faithful through it all

You're too good to let me go
