

Hurry Up And Wait

MercyMe

Key = C

Tempo 87

Intro : |C |C |

Verse 1 :

C
Ninety miles a minute

C
Life's a circus and you're in it

C
Too afraid to admit it

C
You're spinning out of control

Verse 2 :

C
So keep going like you've got this

C
Keep smiling just to hide it

C
Keep moving not to notice

C
It's slowly taking its toll

Pre-chorus :

Am
The faster you can slow this down

G
To the rhythm of right now

F
The sooner you find your strength

Chorus :

C
So hurry up and wait

C F
Rest your weary head for a moment

C
Hurry up and wait

C F
Feel the burden lift off your shoulders

F
Hurry up and

Verse 3 :

C
Wait just a minute

C
Now that I got your attention

C
I think it's worth saying again

C
So I'm going to say it again, say it again

Pre-chorus

Chorus

Interlude : |C |C |F |F |

Bridge :

C
We will run and not grow weary

F

We will walk and not grow faint

C

We will run and not grow weary

F

We will walk and not grow faint

Chorus

Bridge
