Verse 2

He lost his job and all he had in the fall of ’09. Now he feared the worst, that he would lose his children and his wife. So he drove down deep into the woods and thought he’d end it all. And prayed "Lord above, I need a miracle". Well no above, I need a miracle."

Verse 3

He turned on the radio to hear a song for the last time. He didn’t
know what he was looking for or even what he'd find
And the song he heard it gave him hope and strength to carry on
And on that night, they found a miracle
They found a miracle
Well no above, I need a miracle
Lord above, I need a miracle
