Learning To Be The Light - Newworldson
Words & Music: Richard A. Moore, Joel Parisien, Mark Rogers, Joshua Toal

Verse 1

When the stars came crashing down in tiny pieces to the ground
I was all alone down here, trapped beneath the atmosphere Then I
thought somebody called my name I spun around and caught a flame
Gave in to a God I didn't know And know e-verything is falling into place

Chorus

A brand new life is calling and I owe it all to grace It's
so much brighter living in Your world Savior what You did for me You
gave me something I want e-veryone to see When we stumble and it all goes wrong

You’ll be al-ways knock-ing at the door Oh God

I just want to love on e-v’ry-one All I have is Yours to give so

let the peo-ple come It’s -oa I’m learning to be the light
that makes the shadows hide  The light that breaks the curse of pride  The light that takes the weary in its arms  When it all came crashing down  There was only darkness all around  But in the distance I could see a flame  It's 3.
