Long Way Home - Steven Curtis Chapman

Songwriter: Steven Curtis Chapman

Words and Music by Steven Curtis Chapman

Verse 1:
I set out on a great adventure The day my Father started leading me
He said there’s gonna be some mountains to climb And some valleys we’re gonna go through
But I had no way of knowing Just how hard this journey could be
Cause the valleys are deeper and the mountains are steeper than I ever would’ve dreamed

Chorus 1, 2 & 3:
1. But I know we’re gonna make it
2. Well I know that day is coming
3. Well I know we’re gonna make it
I know we’re gonna get there soon And I know it’s gonna be here soon And I won’t turn back
I know we’re gonna get there soon So I’ll keep on

long way home
I got some rocks in my shoes, fears I wish I could lose
They make the mountains so hard to climb
And my heart gets so heavy with the weight of the world sometimes

There's a bag of regrets, my should've beens and not yets
I keep on dragging around And I can hardly wait for the day I get to lay it all down
Cause it's just a long way home

And when we can't take another step The Father will pick us up and carry us in His arms
And even on the best days He says to re-
-member we're not home yet

So don't get too com-fort-a-ble

Cause really all we are is just pil-grims pass-ing through

Cause our God has made a pro-mise And I know that
e-v'ry-thing He says is true And I know where-ver we go, He will ne-ver leave

us Cause He's going to lead us home E-v'ry sin-gle step of the long way (home)Keep on, we're gon-na make it I know we're gon-na make it We're just tak-ing the long way home We're just tak-ing the long way home It's just a long way home
