I'm not alone
If all of this time
You've been waiting All of this time for me to say it
Now
I'm calling out
Verse 1
You tore the veil so my eyes could see
Your open arms right in front of me Lord I feel blind make this
darkness flee You know exactly what I need It's
You, it's You, it's You You tore the
veil so my eyes could see Your open
arms right in front of me
