Intro : |A |D |F#m |D |

Verse 1 :

A
Well, the moment you found
Bm
You could start over new
F#m
Was the same that you realized
D
The stories were true
A
You opened your eyes
Bm
And the world you could see
F#m
Wasn't dim, it was bright
D
You'd have to agree

Interlude : |A |Bm |F#m |D |

Verse 2 :

A
It can happen so fast
Bm
Like you step on a train

F#m
By the time you get off
D
You swear everything's changed
A
No trick of the light
Bm
But how you know it was true
F#m
Well, it's hard to explain
D
You were held by the view

Pre-chorus 1 :

F#m D
But the old chapter's over
F#m D
And a new one begins
F#m D
No room for composure
F#m D
Now the door's open wide
D
And you're walking in

Chorus :

A Bm F#m
And oh! Now your fears are gone

D

They were buried with the dawn

A Bm F#m D
Oh! Now you feel alive for the first time

Post-chorus :

A Bm F#m D
And you're not home yet, not home yet

A Bm F#m
No, you're not home yet, no, not home

D

But you finally found the way back

Interlude

Verse 3 :

A
So you're on your way back

Bm

You got nothing to prove

F#m

You got all that you need

D

You got nothing to lose

A

'Cause now all of your days

Bm

If it's well understood

F#m

They'll be working together

D

Forever, for good

Pre-chorus 2 :

F#m D
Now the long night is over

F#m D
And the morning begins

F#m D
You can't keep your composure

F#m

Now the door's open wide

D

And you're walking in

Chorus

Post-chorus

Bridge :

A Bm F#m
Calling back to the open door

D

But you're waiting for it

A Bm F#m

Your eyes open

D

While the soul ignites

(repeat 2x)

Interlude 2x

Chorus 2x
