Sea Of Faces - Kutless

Words & Music: Jon Michael, Sumrall, Kyle Mitchell, James Mead, Ryan Shrout, Aaron Sprinkle

Verse 1
Bb
I see the city lights all around me

Eb
Every one's obscure

Bb
Ten million people each with their problems

Eb
Why should anyone care

F
In Your eyes I can see

Chorus
Bb
I am not just a man, vastly lost in this world

F
Lost in a sea of faces

Bb
Your body's the bread, Your blood is the wine

Eb
Because You
Verse 2

traded Your life for mine Sometimes my life it feels so trivial

immersed in the greatness of space Yet somehow You still find the time for me It's then You show me Your love(And) In Your eyes I can see

And in Your arms I will be Yeah If only my one heart Was all

You'd gain from all it cost Well I know You would have still been a man with a reason
