

Ships In The Night - Mat Kearney

Songwriter : Mat Kearney

♩=89

Chorus

Like ships in the night, you keep pass-ing me by Just wast-ing

time trying to prove who's right And if it all goes crash-ing in-to the sea If it's just you

as it went down the drain Your pops stayed the same and your moms moved away How many of our

parents seem to make it anyway We're just fumbling through the gray Trying to find a

heart that's not walking away I turn the lights down low Walk these halls a-lone We can

feel so far From so close Like ships in the the light Like ships in the night

You pass-ing me by You pass-ing me by Like ships in the

night I'm at the airport waiting on the second plane Had to

pack you had cramps And I was late heading to a red carpet They wont know my name Riding in

silence All that we wanna say Bout to board when you call on the phone You say I'm

sorry I'll be waiting at home Feels like we're learning this out on our own Trying to find our
