# Sleep In The Storm

**Unspoken**

Key = C

12/8 Time Signature

Tempo 80

**Intro :** |F C/E C . |Am . G . |

|F C/E C . |Am . C . |

**Verse 1 :**

F C/E     C              Am              G
How can I trust, if I run from the trials

F C/E     C              Am                  G
I'll never rest, if I don't chase Your heart

F C/E      C              Am                      G
Sometimes the path, it may take me through the fire

     F      C/E    C              Am                  C
But if it's Your desire, lead me straight into the storm

**Chorus :**

        G              Am
Let the thunder be my comfort

        F              C
Let the lightning be my guide

                G                  Am
Let the waves that rise around me

                F              C
Hold me gently through the night

                F              C
For the winds that seem against me

                Am              G
Push me right into Your arms

F                G              F  C  Am
Teach me how to sleep, in the storm

        G              F  C  G
How to sleep in the storm

**Verse 2 :**

F C/E     C              Am              G
How will I grow, if I never get rained on

F C/E      C                  Am                  G
I'm finished fighting, tryin' to hold back the flood

```
     F C/E      C                Am                  G
You bring me to life, when who I am has been buried
     F      C/E     C          Am                  F
So raise me up and carry me, straight into the storm

Chorus

Bridge :
Am                      F
Sorrows will come and go
C
Even still I know
G    Am              G     C
It is well, it is well with my soul
              Am                  F
Oh Lord, Your peace washes over me
C
You won't let go
   G    Am              G     C
So it is well, it is well with my soul

Post-bridge :
      F  C/E       C
Let the thunder be my comfort
       Am            C
Let the lightning be my guide
```

```
     F      C/E     C
Let the waves that rise around me
     Am                  C
Hold me gently through the night

Chorus : (key = D)
         A           Bm
Let the thunder be my comfort
       G           D
Let the lightning be my guide
         A           Bm
Let the waves that rise around me
       G             D
Hold me gently through the night
       G             D
For the winds that seem against me
        Bm           A
Push me right into Your arms
G            A              G  D  Bm
Teach me how to sleep, in the storm
         A         G  D  Bm       A           G   D
How to sleep in the storm…   How to sleep in the storm
Bm           A           G
Teach me how to sleep in the storm
```
