Verse 1

What can I do to leave a le-ga-cy

How can I speak with au-thor-i-ty When I

can't see You, I can't see You

How can I know the dreams You have for me

How do I be-lieve be-yond what I have seen

When I can't hear You, I

can't feel You now

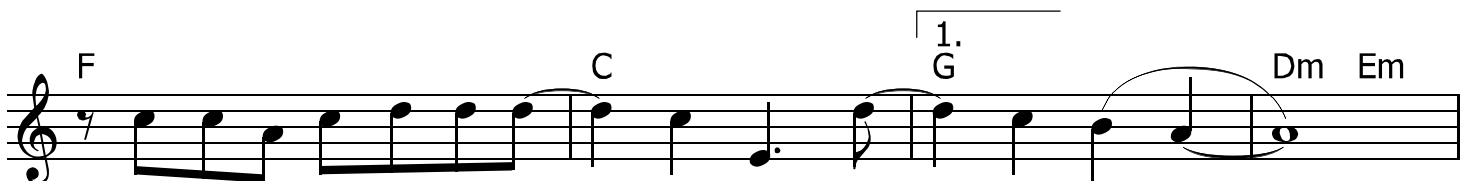

No no no no no

You're my re-viv-al song,

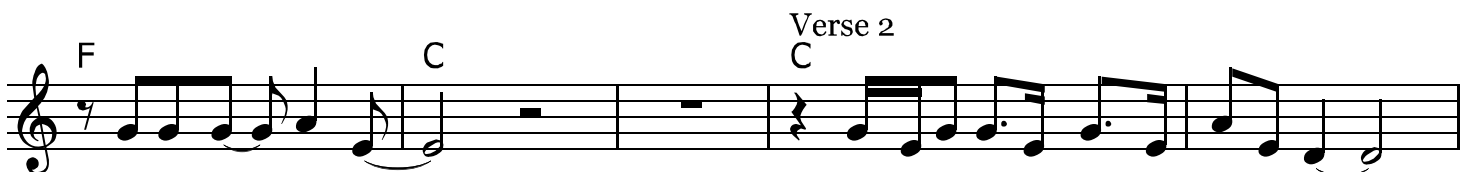

You start where I be-long on my knees, on my knees

When I am weak You're strong

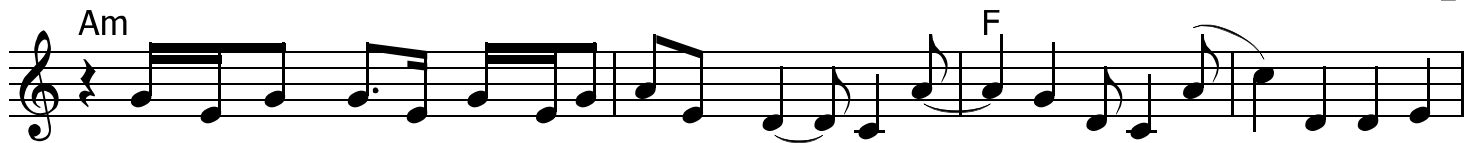

You meet me here when I'm on

my knees, on my knees

Oh it starts with me

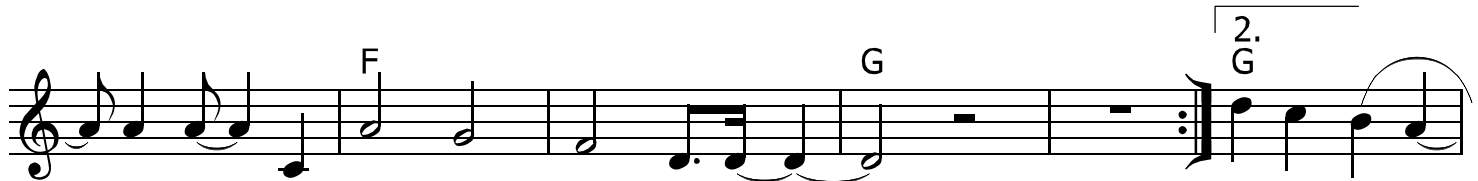

Why do I try to work out-side of You

Knock-ing down doors I should-n't be go-ing through But I'm so tir-ed, I'm so tir-ed

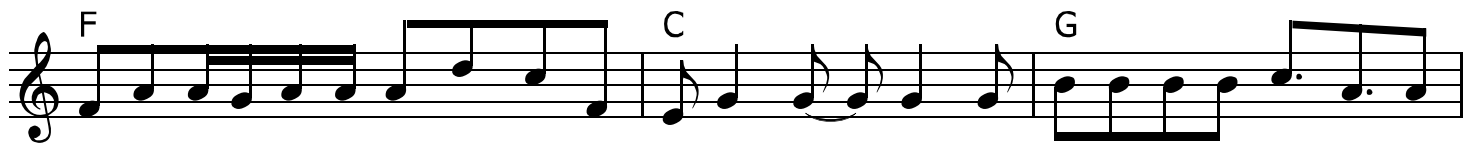

You take my bur-dens off of my should - ers You break the lies that hold

me back So I'm not sure e-nough my knees

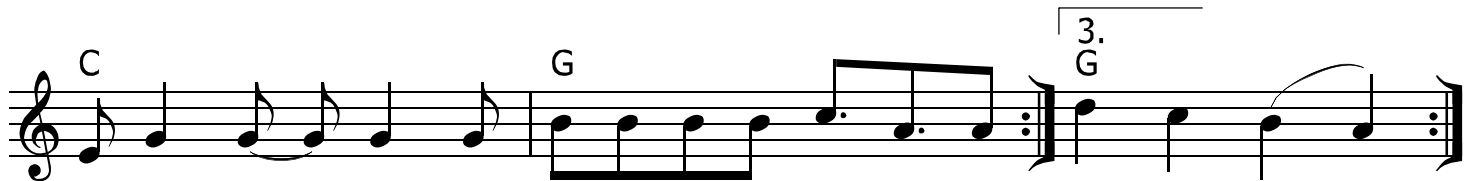

Yeah it starts with me I real-ly wan-na change the world oh

oh I real-ly wan-na sing Your song oh oh But I know re - viv-al's got to start with me

I real-ly wan-na change the world oh oh I real-ly wan-na sing Your song oh

oh But I know re - viv-al's got to start with me my knees

my knees And it starts with me
