Verse 1

Back to the wall, scared you'll fall, what you gon - na do Day and night don't know

why it's like the world's a-against you You're pray-ing for a break -through

Verse 2

There was a day when your faith could-n't be held down God was near e-nough to

hear e-v'ry word But some -how, you wish He heard you right now Don't

you know The same God with you then, is with you now

The same God who led you in, will lead you out So

take all the fear and doubt, go on and lay them down The same God,

1. Verse 3 2

the same God is with you now Oh can't you see e-v'ry-

-thing hap-pens for a rea- son There's a time, there's a place for e-ve-ry sea -son He

2. D

knows what's best for you, so don't be a-fraid The is with you now

Bridge

Keep hold- ing on Just keep hold-

3. Ending

- ing on The The same God is with you now

Yeah, He's with you now
