Where Would We Be - Matt Redman
Words & Music: Matt Redman, Jonas Myrin, Jason Ingram

Verse 1&2

1. You came to search and rescue
   In love, the Father sent You

2. You came to hope eternal
   You are the Light of this world

Broke through the darkest night
Je-sus, our res-cuer
You came to seek and save us
We live our lives to thank You
How could we liberate us
Je-sus, You heard our cry
not adore You
Je-sus, our res-cuer
Je-sus, You heard our cry
Je-sus, our res-cuer

Chorus 1

Where would we be without Your love
We'd still be lost in darkness

Where would we be without Your cross
You made a way to save us
Oh Your love, oh Your love

Chorus 2

Where would we be without Your love
We'd still be lost in darkness
