God have mercy on me

God have mercy on me right now

Have mercy on me now

Verse 2 :

Is failure

To hear a sinner singing God I need You

F C Dm
God have mercy on me
F C Dm
God have mercy on me right now

My weary head

My empty hands, so have mercy on me now

Bridge :

When I was desperate for redemption

A drowning man all out of breath

You threw me more than just a lifeline

You took the wind right out of death

Like a dead man resurrected

Your Spirit burning in my bones

Until I breathe the air of heaven

There's a song I won't let go

Chorus 1
